Deputy Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Luncheon Meeting with Secretary Shultz,
27 August 1982

1. In light of Secretary Shultz' preference that you not continue to meet on Tuesday mornings, you will want to decide when would be best for all concerned to continue these meetings.

2. The following items are on your agenda:

-- Lebanon. As with Weinberger, you will probably want to touch on the question of what next in light of the PLO withdrawal from Beirut. Secretary Shultz will probably have some interesting things to say regarding policy initiatives and you may wish to mention to him

[redacted] concern about US-Israeli differences of interpretation or the Camp David Accords. You will also want to ask Shultz about his meeting with Sharon which is scheduled for Friday morning [redacted]

-- NIC Production Schedule. You (DDCI) indicated that you wish to provide Secretary Shultz a copy of the NIC Production Schedule and ask him for any comments he might have as you did earlier with Judge Clark. INR, as a matter of course, coordinates on the production plan but it is doubtful that the Secretary of State is consulted on that coordination. The schedule contained at Tab G has been modified to include the suggestions of the NSC Staff. An extra copy is included for you to pass to the Secretary. You may wish to mention to Secretary Shultz that work is proceeding apace on his ~~recommended~~ SNIE on Poland.
